

The Product that is subject to this license ("SafeTrip NJ") is alternatively referred to in this license as the "Licensed Application". **All services are rendered to and accessed by You by use of an applicable device (pc, mobile phone etc.) of Your own choice.** The Licensed Application is designed to optimize a hands-free experience. However, if You need to interact with the applicable device at any time, You must follow all applicable federal, state and local laws, rules and regulations regarding the use of such device and any other device usage. Please use these services responsibly.

THE INFORMATION, SERVICES AND LICENSED APPLICATION ARE PROVIDED WITHOUT ANY EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, INCLUDING WITHOUT LIMITATION AS TO CORRECTNESS OR COMPLETENESS, AND ALL SUCH WARRANTIES, TO THE FULLEST EXTENT PERMITTED BY LAW ARE EXPRESSLY DISCLAIMED HEREBY.

The New Jersey Turnpike Authority is also entitled to change, suspend or withdraw the contents of or any services, products any time without prior notice.

The New Jersey Turnpike Authority is not liable, under any circumstances, for any damages, accidents, and/or injuries that result from Your use of the application. By using these services, You agree to use them responsibly and to not interact with mobile devices while driving. Using any such device while driving is dangerous, and any use that is not "hands free" is illegal in the state of New Jersey. By agreeing to use these services responsibly, You agree that You will not text, email, or use any mobile device or other materials that will distract You or take Your attention away from driving. You also agree that You will not seek to hold the New Jersey Turnpike Authority liable for any cost, damage, accident, or injury that arises from and/or is related to the use of the "SafeTrip NJ" application or the traffic information it provides.

**NJTA is not responsible for the content provided by other Third Party sources that are accessed through the Licensed Application, and the Licensed Application is not provided by NJTA. This Licensed Application is provided by the Application Provider, and all questions, complaints or concerns are to be directed to the Application Provider. In making NJTA content available through the Licensed Application, NJTA does not thereby endorse the Application Provider and/or any other Third Party content providers, and offers no warranties or assurances that the Application Provider has the most current complete and/or accurate information from NJTA and/or any other Third Party content provider.**

In making its data available through the GeoTalk application, the NJTA is not thereby endorsing the GeoTalk application and/or the Application Provider, or any provider of other Third Party content.

Privacy Clause: No personally identifying information is transmitted to or stored on "SafeTrip NJ" remote/hosting systems. The Licensed Application will use Your mobile device's built in GPS for location information so that information relevant to Your location can be presented. On the "SafeTrip NJ" screen, this is called "MAIN SWITCH" and You may deactivate this feature at any time by changing the selection to "OFF". If this is deactivated, the Licensed Application will not send location information to Your device until the switch is toggled to "ON". At that point, the Licensed Application will try to estimate of Your location based on triangulation or GPS if enabled.

The Licensed Application will send Your data back to the New Jersey Turnpike Authority for reporting purposes unless You opt out. This information will be sent back anonymously. No user or phone identifying information is transmitted to or stored on "SafeTrip NJ" remote/hosting systems. General usage data may be used for reporting purposes and may, in aggregated form, be used or disclosed to third parties. No specific user identifiable data shall be stored by the Licensed Application or disclosed to third parties. The New Jersey Turnpike Authority owns stored data and can use such information free of charge. The New Jersey Turnpike Authority is entitled to revise these terms at any time and reserves the right, at its own discretion and without notice, to discontinue the service.

The New Jersey Turnpike Authority respects the privacy of users of the mobile application "SafeTrip NJ" and takes great care to protect Your privacy. The privacy portion of this agreement tells You what is transmitted and how we may use it. When You use the Licensed Application, certain data is transmitted to and/or stored by the "SafeTrip NJ" hosting systems. This information can/will enable us to analyze traffic patterns and to determine "SafeTrip NJ" usage so that we may improve our services to You. This data can include:

- Your dynamic geographic location, based on GPS or triangulation
- The sound files transmitted
- The time of each broadcast sound file
- Latitude and longitude
- Altitude
- "SafeTrip NJ" settings/preferences
- Speed
- Heading
- Measurement accuracies
- GPS
- Date
- The image files transmitted
- The time sent for each image file

We may from time to time need to change the privacy portion of this agreement.
